

Cirrus

Supple and lightweight assembly glove with a cut resistant liner and PU palm

Offers dexterity and comfort with good resistance to cuts, rips and punctures. The thin polyurethane coating allows components and materials to be handled precisely.

Features

- ▲ Excellent grip in wet, oily or dry conditions
- ▲ High durability resistance to rips and abrasion
- ▲ Glove retains flexibility despite its high protection levels
- ▲ Coated with polyurethane on palm up to fingers
- ▲ Breathable liner helps keep hands cool
