

Dry Zone PU Bib & Brace

ART. 029900

ELKA Rainwear Dry Zone PU Bib & Brace – the perfect combination of functionality and comfort in waterproof workwear. This bib & brace is part of ELKA Rainwear's Dry Zone series, known for its durable and flexible rainwear designed for demanding work environments. With a focus on durability and comfort, this bib & brace is ideal for those who need reliable workwear that protects against both rain and wear. The Dry Zone PU Bib & Brace is equipped with adjustable ELKA suspenders with Fix-lock buckles, ensuring a perfect fit that easily adapts to your body. The suspenders keep the bib & brace securely in place, providing freedom of movement throughout the workday. For added durability, especially in high-stress areas, the trousers feature reinforced welding at the crotch, making them resistant to wear and tear in even the toughest work conditions. Additionally, the legs are fitted with press buttons, allowing for a snug fit around boots, offering maximum protection. These bib & brace trousers from ELKA Rainwear are the ideal choice for professionals needing waterproof and windproof work trousers. They ensure that you stay dry and comfortable in the most challenging weather conditions, whether working outdoors in the rain or in wet environments.
