

FRTE-R

Chem FR trouser with reflective tape

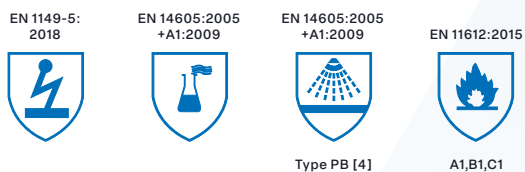

Chem FR is specifically developed to offer additional protection from electrostatic, heat, and flame hazards. Cotton is included in the fabrics backing material providing additional comfort to wearers, while a PVC coating provides optimum chemical protection.

Features

- Offers protection against heat, flame and electrostatic hazards
- Reflective tape enhances visibility
- Base fabric includes cotton for additional comfort
- Pair with a ChemFR jacket for full body protection
- Stitched and high frequency welded seams
- Garment can be reused if not contaminated or damaged

Certifications
