

SS6

Cut resistant lightweight PU coated glove

Extremely flexible and dexterous, yet provides outstanding cut resistance for protection in high cut risk applications. PU coating protects the hand from abrasion and grease while delivering effective long lasting grip.

Features

- ▲ A Flexible and comfortable while offering great dexterity
- ▲ Steel fibre within the liner provides high level of cut protection for use in high cut risk environments
- ▲ PU coating gives exceptional abrasion resistance while protecting the hand from light oil and grease
- ▲ 13 gauge liner provides a 'second skin' fit for good handling of small parts
- ▲ Reinforced thumb crotch enhances durability
- ▲ Designed for easy movement and continuous wear
- ▲ Breathable back of hand to reduce perspiration
- ▲ Seamless knit prevents irritation

Certifications

Suitable industries & applications

Industries
