CMTE

Chemical splash trouser

Chemmaster provides excellent resistance to various acids,alkalis,and industrial chemicals due to its tough and durable 380gm2 double coated PVC material. This makes it an ideal choice for a wide range of chemical handling operations.

Features

- Elasticated waist ensures close fit
- High waist and long back length for additional protection
- Spray-tight coverage
- Stitched and high frequency welded seams
- Pair with the Chemmaster jacket for full body protection
- Garment can be reused if not contaminated or damaged
- Tested to ASTM F903

Certifications
