

CHM

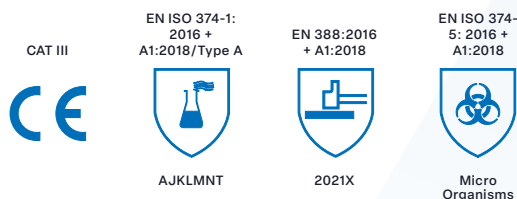

Latex/neoprene gauntlet with embossed grip

Introducing the Chem Master Glove: a flexible, protective glove that absorbs sweat for comfort during extended wear and offers superior chemical protection in various work environments.

Features

- ▲ Resistant to a broad range of chemicals
- ▲ Impermeable for working in damp or greasy environments
- ▲ Self-flushing tractor-tread grip encourages fluids to run-off
- ▲ Cuff prevents dirt from entering the glove
- ▲ Surface provides good grip and wet substances can be repelled
- ▲ Packaging that helps finding the right model in displays
- ▲ Wrist well protected
- ▲ Thickness: 0.66mm

Certifications
