

# S-TEX 376

Glove offering cut protection combined with long lasting oil resistant grip

A durable double-dipped nitrile coated glove that provides resistance to oil whilst protecting from cuts & lacerations. Ideal for the secure handling of oily components & materials that present a high degree of mechanical risk.

## Features

- ▲ Coated nitrile with an additional coating of foam nitrile on the palm & fingertips
- ▲ Seamless 13 gauge Hagane Coil knitted liner
- ▲ Protects from oils grease & abrasion
- ▲ Long lasting grip performance in wet & oily conditions
- ▲ Manufactured using an ergonomically designed hand mould that replicates the natural curvature of the human hand
- ▲ Wrist protection

## Certifications

## Suitable industries & applications
