

TRC850

Water Repellent Fully-Coated Dual Latex Thermal Grip Glove with High Cut Protection

A durable, water repellent, high cut resistant insulated grip glove that's designed to protect down to -30°C for short or intermittent contact.

Features

- Protects hands down to -30°C for short or intermittent contact
- Water repellent surface combined with thermal liner keeps hands warm and dry
- Engineered full smooth latex coating with second sandy latex coating on palm for strong grip property
- Latex coating on a seamless liner enhances high level of flexibility and reduces fatigue
- Suitable for contact heat resistance up to 250°C (approx. 15 seconds)
- Touchscreen capabilities to allow usage with screen devices
