

306

Breathable and water repellent glove with fully-coated dual latex grip

A durable fully-coated latex glove offering powerful grip. Aerated latex foam coating allows perspiration to escape whilst resisting rain and liquids from the outside. Ideal for heavy duty handling tasks and when exposed to changeable weather conditions.

Features

- ▲ Engineered full foam latex coating coupled with an additional latex grip coating on palm
- ▲ Water repellent
- ▲ Unique breathable technology allows perspiration to escape
- ▲ Foam latex provides enhanced cushioning from impacts
