CUT PROTECTION

386

Cut resistant glove with duracoil liner and embossed nitrile foam palm

Cut resistance level C thanks to the DURACoil liner with a microporous nitrile coating for great grip and aeration.

Features

- High level of flexibility and dexterity
- Multifilament polyester wrapping DURACoil liner reinforced with HPPE provides effective protection against cuts
- Microporous nitrile coated palm for good grip & aeration while protecting the hand from oils and abrasions
- High abrasion resistance level 4
- Embossed nitrile palm finish disperses oil away to increase grip and longevity in light oily environments
- Unique SHOWA ergonomic shape that replicates the natural curve of the human hand for enhanced dexterity and longer use
- Seamless knit designed to prevent irritation
