

CMA

Chemical splash apron

Chemmaster provides excellent resistance to various acids, alkalis, and industrial chemicals due to its tough and durable 380gm2 double coated PVC material. This makes it an ideal choice for a wide range of chemical handling operations.

Features

- Features an adjustable buckle at neck for a secure fit
- Tie closure at waist for easy adjustment
- Provides protection against the effects of spills and splashes
- Available in 3 sizes
- A Pair with the Chemmaster sleeve for added protection
- Garment can be reused if not contaminated or damaged
- Tested to ASTM F903
