

Tromso+

Thin and flexible fully coated insulated glove with high cut protection

Lightweight, fleece-lined cut resistant glove with a breathable microporous nitrile coating providing excellent grip in dry and wet conditions.

Features

- Fully dipped nitrile foam allowing good grip in wet and dry conditions
- Soft fleece lining for comfort in cold conditions
- Durable and lightweight coating ensures glove longevity in abrasive applications
- Touchscreen capabilities to allow usage with screen devices
- Sanitised antimicrobial finish provides extra freshness
- Contact heat protection up to 250°C / 482°F for a short period (15 sec max)
