REUSABLE CLOTHING

HLBB-EA

Bib 'n' brace with elasticated waist

Chemsol HG Lite garments are crafted from a lightweight 305gm2 PVC/PU material blend and feature an anti-bacterial coating,offering durable chemical protection and reliable defense against the demands of washdown processes in the food industry.

Features

- Elasticated waist ensures close fit
- Reinforced front bib for added protection
- Elasticated brace straps for added comfort and easy adjustment
- Elasticated ankle ensures a snug and secure fit
- Fabric is treated with an antibacterial finish
- Garment can be reused if not contaminated or damaged
- Pair with the HG Light Jacket for full body protection
