

Digit 5

Level 5 cut protection, PU palm with open finger design

Digit 5 provides cut protection to the non-exposed parts of the hand whilst enabling precise handling in applications necessitating open fingertip contact. The flexible PU coating to the palm and to two fingertips enables a secure grip in light oil and dry handling conditions.

Features

- 3 open finger design
- Machine knitted liner constructed using HPPE fibres blended with Nylon and other synthetic yarns
- Flexible polyurethane palm
- Lightweight and breathable
- Sanitized antimicrobial finish provides extra freshness
- Elasticated wrist for a secure comfortable fit

Certifications

Suitable industries & applications

Industries

- Aerospace
- Automotive
- Construction
- Waste and Recycling
- Highways and Infrastructure
- Steel and Metals

Applications

- Component and Product Assembly
- Labouring
- Woodwork and Fabrication
- General Goods Handling
