

Rockman Vented Helmet

Ultra Light Safety Helmet

Helmets in the Rockman series feature an array of options and features to satisfy a wide range of applications. Not only are they award-winning, but each hard hat exceeds the demands of EN 397. There is also a range of specialist Rockman solutions available for those working in engineering and metalworking environments where risks include excessive heat, light and molten metal. Rockman helmets are extremely comfortable and they fit

Features

-  Vented shell
-  Made from UV-stabilised HDPE (ABS shell available on demand)
-  30mm slots for accessories
-  Sweatband included
-  Standard 2.5cm peak
-  Wide range of accessories available
