SKYTEC™

4520

Disposable 3-panel fold flat respirator - FFP2

The 4500 Series is the newest addition to Skytec's range of premium respirators. Featuring premium European-Made filter media across valved and unvalved variants, the 4500 Series range provides low breathing resistance and excellent Face Fit Factor.

Features

- Premium disposable fold flat respirator for easy storage, donning and doffing
- Secure, metal-free harness system with colour coded textile elastic for easy identification of FFP level
- Soft, flexible and adjustable nose bridge for increased fit factor and comfort
- Multilayer electrostatic filter media for high-performing filtration with low breathing resistance
- Full-width internal faceseal, made from soft touch PVC for high comfort
- Ergonomic design for a secure fit on a wide range of face shapes
- High flow exhalation valve for low breathing resistance, colour-coded for easy identification of FFP level
- Contoured noseseal for high compatibility with other types of PPE
