CUT PROTECTION

BMG766

Advanced cut protection glove

Extremely flexible and dexterous yet provides outstanding cut resistance for protection in high cut risk applications. Ideal in dry, greasy or slightly oily conditions.

Features

- Steel Fibre within the liner provides a high level of cut protection for use in high cut risk environments
- HPPE inner liner part improves comfort and keeps the hand fresh
- PU coated palm gives exceptional abrasion resistance while protecting the hand from light oil and grease
- Reinforced thumb crotch helps extend the gloves wearable life
- Designed for easy movement and continuous wearing
- Breathable on the back of hand to reduce perspiration
- Elasticated wrist provides a secure fit
