

TRC352

Water repellent fully-coated dual latex grip glove

A flexible glove fully coated with smooth latex and sandy latex palm offering powerful grip properties. Ideal for heavy duty handling tasks and when exposed to changeable weather conditions.

Features

- Double latex coating provides water protection and outstanding grip properties
- Seamless 13 gauge recycled polyester knitted liner for a nice wearing experience
- Comfortable with an anatomical shaped fit, allowing excellent freedom of movement and reduction of hand fatigue
- Contact heat protection up to 250°C / 482°F for a short period (15 sec max)
- No irritation by seams in contact with the skin
- Product certified to the Recycled Claim Standard (RCS)
- 1 pair = 1 PET bottle of 500ml recycled
