

AS10082 Trouser

Trouser with elasticated waist and Hi-Vis tape

A lightweight soft touch 165gm2 Polyurethane [PU] coated Polyamide [PA] knitted fabric, offering both strength and flexibility to garments. Notably lighter than comparable hygiene fabrics, HG Flex prioritizes comfort and ease of movement without sacrificing protection. Tested to meet European food standards, it provides added confidence in its suitability.

Features

- Stud adjustment ankle for a custom fit
- Elasticated waist ensures close fit
- Hanging loop for ease of storage and accessibility
- Hi-vis tape for enhanced visibility
- Reinforced crotch to provide extra flexibility and freedom of movement
- Can be worn with other HG Flex PPE for added protection
- Garment can be reused if not contaminated or damaged
