HEREAFTER:**

**SHOWA® 8110**  
GLOVE

is in conformity with the provisions of:

Regulation (EC) No 1935/2004: Materials and articles intended to come into contact with food.

Regulation (EC) No 2023/2006: Good Manufacturing Practice for Materials and Articles intended to come into contact with food.

When used as intended, the overall migration and specific migration of substances subject to restriction do not exceed the legal limits (calculated as 6 dm<sup>2</sup> glove per 1 kg of food).

This compliance statement is based on information received from material suppliers, migration testing undertaken according to Directive 82/711/EEC and 85/572/EEC, and quality control systems in place at Showa Best Glove. Supporting documents are available and can be disclosed to the competent authority on request.

This Declaration is for the product specified above and is valid for two years. An updated statement will be provided if the information on which the declaration is based changes or regulatory requirements impact on its validity.
