

S-TEX 350

Heavy duty, level D cut resistance grip glove with a nitrile coated palm

The SHOWA S-TEX 350 has a nitrile palm coating, providing effective grip in greasy & dry conditions. The Hagane Coil technology within the liner offers a high level of cut protection without sacrificing performance or comfort.

Features

-  Seamless Hagane Coil knitted liner
-  Nitrile coated palm with a rough texture
-  Nitrile coating protects against oils, hydrocarbons, grease & abrasion
-  Flexible with very good durability
-  Highly visible fluorescent yellow lining provides increased visibility in low lighting
-  Wrist well protected
-  Ergonomic fit

Certifications
