

Deep II Grip 3075

Impact protection with petro-chemical resistance and grip control

Breathable heavy-duty glove with a Skid-X grip, one-piece palm, double Kevlar® thread stitching and a reinforced saddle for added grip control and durability. One-Piece, 3D, direct-injected Thermo-Plastic Rubber with elevated knuckles adds increased impact protection for entire back of hand, fingers and knuckles.

Features

- ▲ Single-piece 3D Thermo Plastic Rubber (TPR) shield from fingertip to wrist
- ▲ Double Kevlar thread palm stitching for added durability
- ▲ Extra layer of SkidX Grip between thumb and forefinger Elevated protection zones on knuckles enhance protection
- ▲ Easy-pull tabs allow personalisation and enable the glove to be pulled on with ease
- ▲ Reflective hi-viz properties for enhanced hand visibility
- ▲ Long neoprene cuff adds protection

Suitable industries & applications

Industries

- ▲ Construction
- ▲ Oil and Gas

- ▲ Utilities

Applications

- ▲ Highway Repairs and Maintenance
- ▲ Drilling and Boring
- ▲ Fossil Fuel Extraction and Refining
