

FRBH

Chem FR boilersuit with hood

Chem FR is specifically developed to offer additional protection from electrostatic, heat, and flame hazards. Cotton is included in the fabrics backing material providing additional comfort to wearers, while a PVC coating provides optimum chemical protection.

Features

- Offers protection against heat, flame and electrostatic hazards
- Double storm facing velcro closure for increased protection
- Ring-pull zip for easy donning and doffing when wearing gloves
- Helmet-compatible hood with elasticated drawcord adjustment
- Base fabric includes cotton for additional comfort
- Garment can be machine washed
- Garment can be reused if not contaminated or damaged

Certifications
