

# G3 PU

## Cut resistant glove with flexible pu coating

G3PU is a supple & lightweight glove offering a good cut resistant barrier whilst maintaining dexterity & comfort. The flexible PU coating enables a secure grip in light oil & dry conditions. Ideal for handling small components with sharp edges.

### Features

- Machine knitted liner constructed using HPPE fibres blended with nylon
- Flexible polyurethane (PU) palm
- Excellent abrasion & tear resistance
- Ventilated to keep hands cool
- Sanitized antimicrobial finish provides extra freshness
- Elasticated wrist for a secure comfortable fit

### Certifications

### Suitable industries & applications

#### Industries

- Aerospace
- Automotive
- Construction
- Waste and Recycling

- Highways and Infrastructure
- Steel and Metals

#### Applications

- Component and Product Assembly
- Woodwork and Fabrication
- General Maintenance
- General Goods Handling
