

# CC700

## Chemical Resistant Glove With High Cut Protection And Excellent Grip Properties

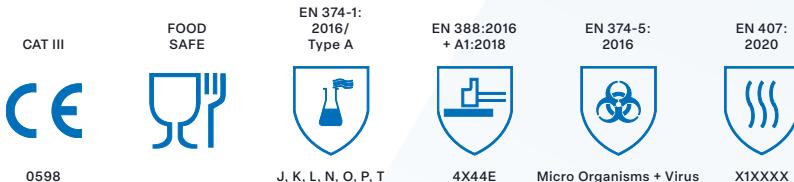

Offering high resistance to chemicals & protection against cut. For demanding tasks that require manual exertion & complete control over work materials in wet handling conditions

### Features

- 18 gauge seamless liner, glass and steel free, reduces risks of irritations while being extremely comfortable
- Orange liner indicates when the polymer is ripped limiting the risks of contamination
- Nitrile protects the hand from oils, hydrocarbons, & grease penetration
- Rough grip finish provides a tactile feel, long-lasting grip & control in wet and oily conditions
- Suitable for contact heat resistance up to 100°C (approx. 15 seconds)
- Extended protection of the forearm
- Designed for easy movement & continuous wear
