

BMG848

Durable work glove with excellent cold protection and strong grip

A robust and brightly-coloured grip glove with an insulated liner, designed to protect down to -20°C for short or intermittent contact.

Features

- ▲ A robust glove with high resistance to tearing
- ▲ Special fibre knitting process results in a super-soft insulated liner
- ▲ Flexible and designed for easy movement and extended wear
- ▲ Foam latex palm offers strong grip performance
- ▲ Rough textured grip allows slippery objects to be gripped firmly
- ▲ Bright orange colour for improved hand visibility
- ▲ Seamless knit helps prevent irritation

Certifications
