

Radius EW151

Cut resistant, thermal, water repellent fully coated latex glove

A fully coated glove combining thermal properties and cut resistance with an open cuff for easy donning and doffing. Ideal for sharp handling in cold and wet environments.

Features

- ▲ Cut resistant liner protects against sharp parts and the thermal liner provides insulation at cold temperatures
- ▲ Flexible and robust glove offering a good level of dexterity
- ▲ Water repellent for working in wet environments
- ▲ Protects the hand from liquids with optimal long lasting grip
- ▲ Open cuff (cut-out in wrist area) to ease removal of the glove
- ▲ No irritation by seams in contact with the skin
