

CC700

Chemical resistant glove with high cut protection and excellent grip properties

Offering high resistance to chemicals & protection against cut. For demanding tasks that require manual exertion & complete control over work materials in wet handling conditions

Features

- ▲ 18 gauge seamless liner, glass and steel free, reduces risks of irritations while being extremely comfortable
- ▲ Orange liner indicates when the polymer is ripped limiting the risks of contamination
- ▲ Nitrile protects the hand from oils, hydrocarbons, & grease penetration
- ▲ Rough grip finish provides a tactile feel, long-lasting grip & control in wet and oily conditions
- ▲ Suitable for contact heat resistance up to 100°C (approx. 15 seconds)
- ▲ Extended protection of the forearm
- ▲ Designed for easy movement & continuous wear

Certifications
