Technical drawing of the Eastbrook GL4 3DB radiator. The drawing includes a side elevation, a top view, and a detail view of the fin profile. The side elevation shows a radiator with a height of 1720mm and a width of 400mm. It features a central section with 16 fins and two side sections with 16 fins each. The top and bottom sections are labeled 'BLIND'. The side elevation also shows an 'Air Vent' on the right side. The top view shows a width of 400mm and a depth of 160mm. The detail view shows a fin profile with a width of 40mm and a height of 15mm. The drawing includes a table of dimensions and a list of technical specifications.
