

INSTALLATION INSTRUCTIONS

Applicable Products:

Loire DOCM L/L Pan: 27.0261

Note: * FLOOR FIXING NOT SUPPLIED

Please Note: Ensure these instructions are followed carefully. If you are unsure about an aspect of the installation, please consult a qualified installer. In the event of any problem with the function of this equipment, please check installation before consulting your supplier. * **DO NOT USE CHLORINE (BLEACH) OR RELATED PRODUCTS**

- 1) Affix the two L shaped supporting brackets to wall in accordance with DOC M LL plain layout / technical drawing.
- 2) Carefully place DOC M Cistern upon L shaped brackets and mark position for screw holes (to wall).
- 3) Drill holes and ensure correct fitment
- 4) Assemble cistern fittings as per instructions and affix to wall
- 5) Mark the location where the WC pan will be positioned from wall to the tip of pan (760mm) as shown in plain layout / technical drawings.
- 6) Affix WC pan to floor using appropriate fixings.
- 7) Connect both waste fittings and plastic pipe to WC pan.
- 8) Connect water supply to cistern.
- 9) Ensure installation is free from leaks and test flush for WC.
