

Eastbrook Road, Gloucester GL4 3DB
Technical Helpline: 01452 317890
email: technical@eastbrookco.com

Usage

For fixing of:

- Standing toilets and bidets.

Description

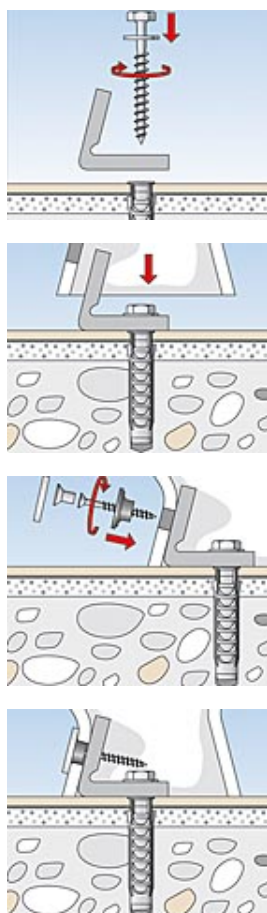

- The toilet fixing WB 5 N is an invisible fixing for standing WC's and bidets.

Advantages / Benefits

- The nylon flanged sleeves prevent direct contact between ceramic and screw therefore protecting the ceramic.
- Corrosion resistant material.

Installation

- The drill hole should be carefully cleaned.
-
