Tasting Notes

A bittersweet non-alcoholic aperitif, Wilfred's is made from a carefully selected blend of distilled and extracted natural botanicals. Leading notes are zesty bitter orange and aromatic rosemary, balanced with clove and just a hint of rhubarb. Wilfred's is best enjoyed with tonic as a bittersweet spritz.

Story

Frustrated by the uninspired overly sweet non-alcoholic options available, founder Chris Wilfred started on his quest to reinvent a drink for the new era of drinkers. Sourcing exotic botanical from around the world, his journey eventually led him back to the authentic flavors of home – freshly picked rosemary from his mother's garden, and bitter oranges in his father's marmalade.
