- *1 *2
- *1 *2
- *3
- 4.3 to 4.8 inclusive

*1 Experience has shown that kitchen sinks made of glazed ceramics & stainless steel comply with this requirement

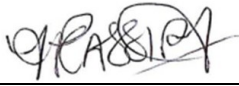

*2 This requirement is applicable only to multi-layer kitchen sinks to ensure the stability of the top layer and is not applicable to sink material types listed in the appendix.

*3 Standard for wall hung sinks and is not applicable to inset or undermounted sink types listed in the appendices below.

8) The performance of the products identified in point 1) is in conformity with the declared performance in point 8.

Conditions of use:

In the event of any product modification not prior approved by Abode this performance will lose its validity. The safety, installation and product care instructions supplied with each product must be observed at all times, products are intended for domestic use only.
