Important Care Instructions for your Product

To maintain the appearance of this product, ensure that it is regularly cleaned only using a clean, soft damp cloth. A solution of warm water and a mild liquid detergent may be used where necessary, and then the product must be wiped dry. Any other cleaning action or use of common domestic cleaning products will invalidate your warranty.

Abrasive cleaners, scouring cleaners and acidic cleaners must not be used on this product under any circumstances. Avoid contact with all solvents (including chlorinated solvents, ketones or acetones as these may result in surface deterioration or etching). Also avoid contact with any harsh household chemicals.
