HARO THE SPECIALISED TRADE TOILET SEAT

HARO offer reliable and comfortable toilet seat solutions with over 8 million seats sold per year.

DESIGN
HARO seats have the perfect fit for the most common styles of WC and pans. The smooth, non-porous surfaces have antibacterial properties making them hygiene and easy to clean.

QUALITY
HARO toilet seats are comfortable and sturdy. They are manufactured to the highest quality standards, providing flawless functionality, perfect workmanship and maximum durability.

SUSTAINABILITY
One third of the material used for the thermoset models consists of the renewable raw material cellulose and contributes to the conservation of resources thanks to its durability.
