# Two-Piece Side Panel Kits

The Two-Piece Side Panel Kits are available for both the Evolution Double-Sided and Single-Sided Vertical Cable Managers, which are typically placed at the end of a row of equipment racks.

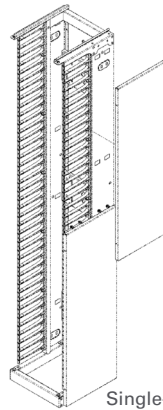

- Double-Sided Panel Kits are intended to be used with the Evolution Double-Sided Cable Managers
- Single-Sided Panel Kits are intended to be used with Evolution Single-Sided Cable Managers
- Tool-Less attachment directly to the side(s) of the Evolution Vertical Cable Manager
- Select to match the height of the cable manager
