Details

- Material:
 - SloanStone Solid Surface
- Width: 30" (762mm)
- Thickness: 1.5" (38mm)

Features

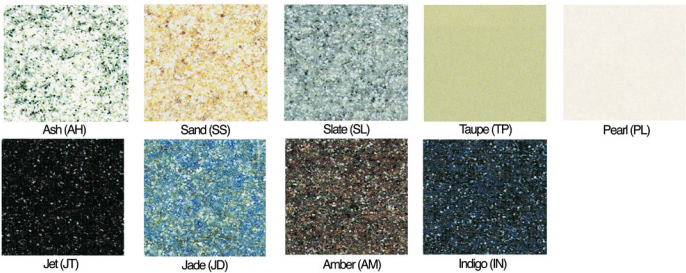

Single Station Lavatory System with the following features:

- Lavatory constructed of Non-porous SloanStone Solid Surface Material
- Integral overflow drainage system
- Lavatory System is shipped pre-plumbed with Sloan Electronic Controls for easy installation
- Please note that scratches on dark, high gloss finishes may be noticeable and require periodic refinishing to maintain the glossy appearance. Take care placing and sliding objects that may scratch the surface.

SloanStone sinks are a one-piece molded design with a slight angle outward at the side aprons to facilitate the fabrication process thus the overall length of the sink measured along the bottom edge may be up to ½" greater than noted length. SloanStone sinks are commonly available in one to four station lengths (most models) and cannot be seamed together to create a longer sink layout.

Please note that scratches on dark, high gloss finishes may be noticeable and require periodic refinishing to maintain the glossy appearance. Take care placing and sliding objects that may scratch the surface.
