Details

- Material:
 - SloanStone Solid Surface
- Width: 60" (1524mm)

Features

Double Station Lavatory System with the following features:

- Drain Deck design prevents any water from puddling on the counter top
- Gap-free Vandal Resistant high strength structure
- Chrome Plated Accented Overflow
- Cabinet constructed of Brushed Stainless Steel
- All ADA and TAS lavatory standards achieved in a single design
- Sink can only be used with a single hole faucet. No soap dispenser option is available for this model
- Please note that scratches on dark, high gloss finishes may be noticeable and require periodic refinishing to maintain the glossy appearance. Take care placing and sliding objects that may scratch the surface.

SloanStone sinks are a one-piece molded design with a slight angle outward at the side aprons to facilitate the fabrication process thus the overall length of the sink measured along the bottom edge may be up to ½" greater than noted length. SloanStone sinks are commonly available in one to four station lengths (most models) and cannot be seamed together to create a longer sink layout.

Please note that scratches on dark, high gloss finishes may be noticeable and require periodic refinishing to maintain the glossy appearance. Take care placing and sliding objects that may scratch the surface.

Colors
