Details

- Material:
  - SloanStone Solid Surface
- Width: 30" (762mm)
- Height: 5" (127mm)

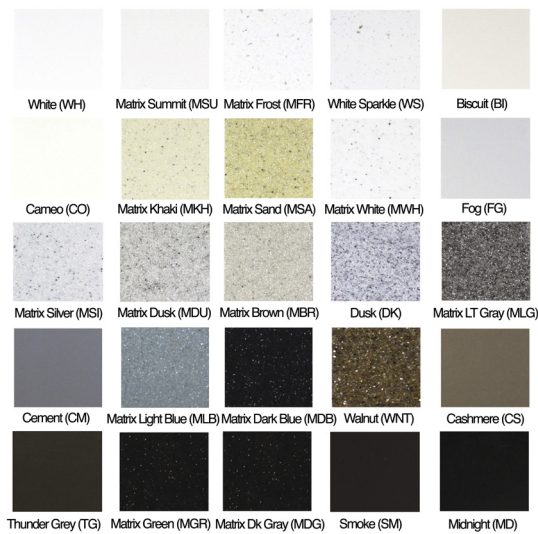

Features

- Single molded basin
- Basin rim angles gently into a point creating a modern look
- Deck mounted faucets or point-of-use sensor operation
- Easily reparable and non-porus
- 25 Color Options
- Available with angle bracket or angled stainless enclosure

SloanStone sinks are a one-piece molded design with a slight angle outward at the side aprons to facilitate the fabrication process thus the overall length of the sink measured along the bottom edge may be up to ½" greater than noted length. SloanStone sinks are commonly available in one to four station lengths (most models) and cannot be seamed together to create a longer sink layout.

Please note that scratches on dark, high gloss finishes may be noticeable and require periodic refinishing to maintain the glossy appearance. Take care placing and sliding objects that may scratch the surface.

Colors

Recommended specifications

SloanStone Series Sink model no. ELRF 8X000 Gradient Style Sink. Product to be molded using SloanStone solid surface. Sloan automated sensor faucet. Sloan sensor operated foam soap dispenser. Sink design to be ADA compliant and IAPMO certified. Supplied with either angle brackets or enclosure.
