

Technical Data Sheet

Ref: TDS-02-TBA-02

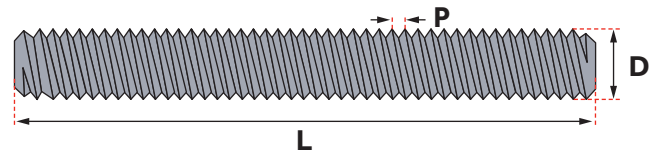

Threaded Bars

Threaded Bars - Grade 8.8 - Zinc

Features

- Commonly used with drop in anchors for suspending cable trays from ceilings or can be cut to a required length and used with chemical resin.
- Manufactured from grade 8.8 high tensile steel.
- Metric thread.
- Zinc.
- Conforms to DIN975

Dimensional Data

Product Code	Diameter (D)	Length (L)	Thread Pitch (P)
06TBZHT	M6	1000	1.00
08TBZHT	M8	1000	1.25
10TBZHT	M10	1000	1.50
12TBZHT	M12	1000	1.75
16TBZHT	M16	1000	2.00
20TBZHT	M20	1000	2.50

All stated figures (mm) are approx and for reference only.
