Ref: TDS-01-CSF-01

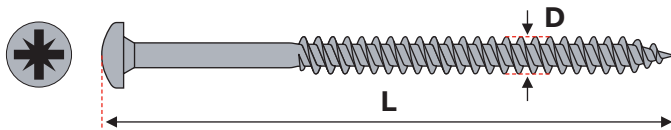

## Corrugated Sheet Fixings

### Features

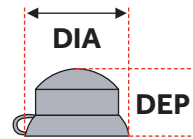

- Designed for fixing plastic corrugated sheets to timber.
- The hinged cover cap provides a tight seal to prevent water ingress.
- PZ2 recess.
- Available in black and clear.
- Spacers should be used with strap caps when fitting corrugated sheeting to prevent splitting of the sheets as the fixings are tightened.
- Durable weather resistant plastic.
- Partially threaded.

### Dimensional Data

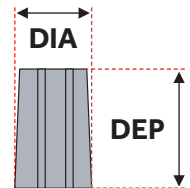

#### Screw

#### Cap

#### Spacer

| Product Code    | Screw Size (imp) | Screw Size (mm) (D x L) | Screw Head Diameter | Cap/ Spacer Depth (DEP) | Cap/Spacer Diameter (DIA) |
|-----------------|------------------|-------------------------|---------------------|-------------------------|---------------------------|
| CSFB            | 10 x 3           | 5.0 x 75                | 9.4                 | 12.5                    | 20.0                      |
| CSFC            | 10 x 3           | 5.0 x 75                | 9.4                 | 12.5                    | 20.0                      |
| 224523 - Spacer | -                | -                       | -                   | 19.0                    | 15.0                      |
| 731145 - Cap    | -                | -                       | -                   | 12.5                    | 20.0                      |
