Air Wedge

A strong inflatable air bag that saves time during the fixing and levelling of doors, windows and frames. Also used to hold doors in place whilst installing locks, latches and other ironmongery. An essential piece of kit for those working alone.

- Self inflatable with hand pump
- Simple and easy to use
- Reduces risk of scratches or damage to frames
- One air wedge can lift up to 150kg

Glazing Shovel

Used by professionals during the installation of double glazed units. A toe and heel action prevents dropping and dragging, therefore eliminating unnecessary damage to the workpiece. Can also be used to level kitchen units and furniture without trapping the user's fingers.

- Suitable for levering of heavy objects
- Manufactured from heavy duty ABS material
- Can also be used to adjust and locate glazing gasket and wedge packers
