

Safety Masks

Our range of dust masks provide clean and safe air when working in potentially hazardous conditions. Designed using the very latest technology in filtration material, the masks prevent harmful particles passing through.

Often an essential requirement of certain workplaces, all TIMCO masks are fitted with easy-breath exhalation valves and there are various filter protection levels in the range. FFP3 - Highest Level FFP2 - Moderate Level

FFP3 Masks With Valves

Assigned Protection Factor (APF): 20
Equivalent to 99% Filter efficiency.

CE Approved
to EN149

Protects against medium to high levels of dust from home repair, woodworking, construction or water based mist.

Moulded

Contoured design ensures compatibility with glasses / goggles

Adjustable latex free elasticated straps

Exhalation valve reduces heat and moisture build-up

Polypropylene outer layer for a smooth comfortable lining without loose fibres

A medium to high protection moulded mask with a 360° full face soft band for optimum comfort, fit and breathing.

Max Comfort | 360° enhanced full face band
