## Hex Head Cover Cap

Cover caps are a perfect way to blend in roofing and construction screws with coloured panels. Please bare in mind we only stock a certain amount of colours, please allow at least one week for dispatch. Poppy Red caps are used for highlighting weaker transparent sheets.

Please note these colours are a guide only. Please refer to [www.e-paint.co.uk](http://www.e-paint.co.uk) and search for the colour name, for a more accurate colour match.
