

Safety Glasses

Clear Lens
For most applications conducted in normal light conditions.

Amber Lens
For brighter vision and improved contrast when working in poor light or overcast weather.

Smoke Lens
For bright light or sunny conditions to maintain vision but protect the eyes from sun glare.

Comfort Safety Glasses

Moulded silicone temples for comfort

Frameless design for improved vision

Anti-scratch lens coating

Lightweight safety glasses with soft overmold to arms giving extra comfort and grip around the ears and temples when worn for long periods. Available in three lens types to suit varying light conditions of indoor and outdoor workplace environments. Treated with an advanced coating to prevent scratches.
