

Mini Clips

Carbon steel zinc plated

The Mini Clip, also known as the Nut & Bolt, Fueline or Petrol Pipe Clip is tailor made for many small diameter constructions where wide adjustment span is not necessary.

Our standard Clips are Carbon Steel bright zinc plated or complete AISI 304 Stainless Steel.

PART NUMBER	d (mm)	TIGHTENING TORQUE MAX (Nm)	h 0.5 (mm)	l (mm)	l1 (mm)
