PRODUCT DESCRIPTION

Activ-Step® technical performance laces are waterproof, snap resistant and knot slippage resistant.

Packed with features they are manufactured using 100% polyester, supplied by a GRS certified mill, which has wear resistance higher than normal industry standards.

The packaging has been selected with careful consideration, featuring recycled and recyclable kraft card

PRODUCT FEATURES

Non-wicking, snap resistant and knot slippage resistant.

Manufactured using 100% polyester, supplied by a GRS certified mill

Lab-tested knot slippage tests which show how much force is required to loosen the knot.

Non-wicking means the water beads off instead of soaking into the fibres.

activ® step
