160CM BOOT LACES

Designed for all boots

240CM BOOT LACES

Designed for all high-leg boots

PRODUCT DESCRIPTION

Activ-Step® technical performance laces are waterproof, snap resistant and knot slippage resistant.

Packed with features they are manufactured using recycled plastic bottle polyester which has wear resistance higher than normal industry standards.

The packaging has been selected with careful consideration, featuring recycled and recyclable kraft card and soya inks which make it far easier for our recycling centres to process.

PRODUCT FEATURES

Waterproof, snap resistant and knot slippage resistant.

Manufactured using recycled plastic bottle polyester.

Lab-tested knot slippage tests which show how much force is required to loosen the knot.

Non-wicking means the water beads off instead of soaking into the fibres.
